

Dan Wolf
Chevrolet of Naperville
Naperville, Illinois

*Commercial Renovation
2011*

Waechter Architects was engaged by Dan Wolf Chevrolet of Naperville to implement interior and exterior renovations of an existing car dealership to comply with design guidelines established by the parent corporation. Interior renovations of the customer showroom and service bays included upgrades to finished materials, lighting, and toilet room areas. Exterior renovations included new glazing, façade treatment, and entry signage plan.
